0 I was trying to find right topic, I did find one but it did not make sense to me so I am asking here.. I have sat nav Rac 1100 (gogo902) which is running Windows CE 5 0I want to upgrade that as the system I have one is terrible and maps are only for UK to upgrade maps it cost 10 euro for town which is ridiculous!!Could someone give me a hand and direct me what steps do I have to make to put iGO on my system ? or maybe iGo Primo which I have already dowloaded or Tom Tom what would be the best ?Now to my sat nav.
